## Admission Statement

Please give careful thought and prayer in responding to the following questions. Please type your answers on separate sheets of paper.

1. Write an autobiographical essay that includes each of the following: a) family background; b) Christian conversion; c) significant spiritual milestones or decisions; and d) the nature of your devotional life. This essay will be reviewed for content and writing style and should be 1-2 pages in length.
2. Describe ways you've been involved in serving people in the church and community, locally or globally. Please identify the following: 1) years; 2) organization; 3) position or title; 4) responsibilities; and 5) accomplishments. Begin with the most recent position.
3. Anyone considering serving the Lord in the context of the church or community, locally and globally, needs a strong sense of God's direction. As you describe your sense of God's leading, please include the following:
  - a. What has caused you to come to the conclusion that God is leading you to serve Him? What kind of service?
  - b. What has caused you to come to the conclusion that God is leading you to come to seminary?
  - c. Have you discussed your educational and future plans with others (i.e., parents, friend, spouse, pastor, etc.)? If so, what was their response?
