Comments: Cat, my apologies for the delay. I underestimated the time it would take me to complete all of this information. I hope there is still time to be considered. Again, thank you for your work and kind attitude toward my goal.

I most interested in taking:

NT501 Greek Grammar I

But if at all possible would also be interested in taking:

BI501A Principles For Biblical Interp.
(which seems to be a prereq for many other classes)

BI505A Gospels
BI553 John
BI503B Prophets
